LOST IN PROVIDENCE Roy Rock's Team Rolls Big Total-Combies High on Local Five.

The Norwich Warriors, a duckpin

The Norwich Warriors, a duckpin team from the Rose alleys, visited Providence on Thursday night for a match with Roy Rock's team on the Roy Rock alleys, and lost the match three straight against the high rolling of the Providence experts. Although losing, the Warriors gave a good account of themselves and made a very favorable impression, surpassing their marks on the home alleys.

Levy of the Providence quintette put does not the phenomenal single of 153 and led on three string total with 370. Murphy, the boy wonder, led the locals in the first string with a single of 124, but Combles Beat him out in the last by rolling 127, which also gave him best three string on the Warriors. The left hand shots of Capt, Julian Harris toppled over a total of 307, Jimmie Ring was there with 297, and Sturtevant was the only man of the Warriors not to get into the 100 class on a single.

SELLING TO REALIZE PROFITS Kept Market Unsettled-Inroad o Prices on General List.

New York, April 15.—There was gaite obvious distribution of stocks going on today and the selling to realize profits kept the tone of the market unsettled and irregular and made considerable inroad on prices in the general list. The selling was conducted with caution and skill, with a view to cause as little effect on prices as possible, and gave evidence in that respect of the experience in the management of the speculative campaign. The bear contingent made some efforts to push the decline in prices and take the market away from the sellers. The bear party seemed to be timid about extending their position, owing to the impression of the power and capacity of the conductors of the campaign and the fear that the letting down of prices the fear that the letting down of price was a manousver to induce the bear to commit themselves with the purwas a manouever to induce the bears to commit themselves with the purpose of forcing them to cover shorts at higher prices later. The usual device of making selected stocks strong for sympathetic effect on the general list was adopted as a sustaining influence while the realizing sales were going on. The coalers as a group were the conspicuous example, especially Reading, which was kept very active throughout the session. A reduction in prices of some grades of copper was made at the New York metal exchange, but the copper stocks fared no worse than the general list. Reports were current of some large orders being placed for structural steel and an aggregate o famall orders which give promise of raising the April total to a record. On the other hand the rumor that a cut was impending in the price of steel ralls was of contrary effect on the tone of the steel industrials. Some increased firmness is reported in the money market, but the 21-2 per centrate of vesterday for coal loans was not repeated today. There was a general recovery in prices in the latter part of the day, but the closing tone was irregular again. Bonds were irregular, Total sales par value, \$5, 22200. United States bonds were unchanged on call.

Bebe Burdick a reyout.

Bebe Burdick, the pick of the Preston City ball players, is to have a tryout with the Nor-Taft team, and will be a candidate for an outfield position. He has showed up strongly in his home town on the diamond, playing in the field and also pitching, and is counted on to make a good showing by those who are familiar with his record.

NOR-TAFT PLAYERS

WILL DIVIDE PROCEEDS New Plan to Conduct Local Ball Team This Year-Change in Admission

Arrangements by the Nor-Taft man-agement have been made with all the agement have been made with all the players on their list to play on a division basis this season, instead of on a salary list, the same plan that was worked with success in Wauregan. Jewett City, Dayville and North Grosvenordale last year. The team was from a financial success last season, although champions of the league; and this was found to be a working arrangement which could be carried out rangement which could be carried out to keep the team here this season. As Connecticut league baseball petered out in Norwich there is all the more reason to support the Norwich-Taft-ville club, if the city is to enjoy any kind of baseball, and the local men vill directly benefit according to the ocal patronage.

It has also been decided to drop the admission price this year at Sachem park, both practice and league games, to 15c instead of 20c, and the grand stand will be 10c everywhere, which is also a reduction from last year.
